Re: Business Automation System

Hi, my name is Derrick Van Dyke and I've spent the last year developing and testing the perfect software designed specifically for Internet marketers like you and me. Take a few minutes to check out the features below and then go ahead and take it for a free test drive.

Product Manager

- Create unlimited product offers: one-time offers, up-sells, down-sells, cross-sells
- Create "buy now" offers, installment plans, and subscriptions
- Create free trials or initial "setup" fee for any offer
- Enable membership management for any product
- Set commission rates for affiliates and JV brokers

Sales Manager

- Manage all your sales for all your products in one easy-to-use interface
- Find any order fast with our powerful search functions
- View detailed sales statistics for any date range
- View commissions for any date range
- Export PayPal mass payment records

Affiliate Manager

- Easy signup process integrates with your current autoresponder
- Affiliates can promote all your products from one place
- Create unlimited affiliate tools automatically branded with affiliate links
- Customize your Affiliate Center home page
- Customize affiliate sale notifications
- Easy affiliate payout via PayPal mass pay

Support Manager

- Integrated ticket system for customers and affiliates
- Customers can view transaction history and submit support tickets
- Assign Customer Manager and Affiliate Manager to different users
- View transaction history for customers who submit tickets

And much, much more! [Click here to start your free trial now!](#)
