

Thank you for subscribing to the "Info Product Start Up Newsletter". You're going to learn a lot from being a subscriber, so be sure not to miss an issue.

To ensure you get every issue from me, be sure to "white list" the domain name [inaboxinfoproducts.com](http://inaboxinfoproducts.com)

If you're really serious about learning how to start your own information product business, I suggest you make a special folder in your email and name it [inaboxinfoproducts.com](http://inaboxinfoproducts.com). Put every issue I send to you in that folder so that you can refer back to them over and over again.

Being a subscriber to the "Info Product Start Up Newsletter" is like getting a chapter a week out of the secret book to succeeding with your own information product business. Yes! It's that great and I am so happy to have you as a "student"!

I learn new things each and every day, so like a good teacher I want to pass it on to you... my "students". If you ever have any questions, please let me know. I'll be more than happy to help you.
